Family Services:

- ❖ We serve families in the 5-county ROE #3 region.
- ❖ Parents may receive services for their family from the time they are expecting until their child turns 3 years old.
- ❖ We provide support and resource connections to parents who wish to improve their family well-being.

Program Model:

In-Home Visits:

- ❖ Receive a weekly 60 minute personal visit in your home
- ❖ Share developmentally appropriate activities for you and your child
- ❖ Offer information, support and encouragement
- ❖ Help set and meet goals for you and your family
- ❖ Prepare and transition your child to a 3-5 year old program

Group Connections:

- ❖ Monthly group connection meetings which offer educational activities, family fun and the chance to meet other Learning Express families

Screening:

- ❖ Deliver free developmental screenings including hearing and vision
- ❖ Provide helpful information on your child's many needs during each stage of growth and development

Resource Networking:

- ❖ Connect your family to local community resources

Supporting Parents...

The Learning Express Birth to Three Prevention Initiative Program was established in 1999. We are a free, voluntary year-round program provided by the Regional Office of Education #3 and funded by the Early Childhood Division of the Illinois State Board of Education.

Following the Parents as Teachers Affiliate model, our PAT Certified Parent Educators strive to support you to be your child's first and most important teacher.
