## ONLINE ENROLLMENT PLATFORM

Making benefit elections is simple through the MyBenefits website. Follow these steps:

1. Go to **MyBenefits.illinois.gov**.
2. In the top right corner of the home page, click **Login**.
3. If you are logging in for the first time, click Register in the bottom right corner of the login box and follow the prompts. You will need to provide your name as printed on the MAPD Initial Enrollment materials mailed to your home.
4. Enter your login ID and password. After logging in and landing on the welcome page, explore your benefit options by clicking on the TRAIL Enrollment Information tile.
5. After exploring your benefit options and determining which benefits you would like to elect, click on the MAPD enrollment Event, located on the Welcome page.

## Need Help?

**AVA, the interactive digital assistant, is available online at**  
**MyBenefits.illinois.gov**

Or

**Contact MyBenefits Service Center (toll-free)**  
**844-251-1777, or 844-251-1778 (TDD/TTY) with inquiries.**  
**Representatives are available**  
**Monday – Friday, 8:00 AM - 6:00 PM CT.**

## WHAT YOU NEED TO DO

1. Go to **MyBenefits.illinois.gov** to review your benefit options.
2. Choose the benefits you'd like to elect at **MyBenefits.illinois.gov** by clicking on your Initial MAPD Enrollment or Medicare-Eligible Retirement event.
3. Consider going paperless. Provide, or update your email address at **MyBenefits.illinois.gov** to receive quick responses and notifications through electronic communications.

If you choose to enroll online, the TRAIL MAPD online enrollment process must be completed in its entirety. As you enroll online, follow the prompts until the end so you will know you have completed your coverage-election process. If you do not complete the process, your elections will not be saved. Please note, although you may use a post office box address to receive your mail, federal Medicare requires a residential street address. **If your preprinted mailing address on this mailing is different than your residential address, such as a Post Office Box, be sure to contact your retirement system as quickly as possible to ensure your residential address is on file with the system.**

# Welcome to Your TRAIL MAPD Enrollment Period

The Teachers' Retirement Insurance Program (TRIP) offers members a healthcare program called **Total Retiree Advantage Illinois (TRAIL)**. This program provides Medicare-eligible members and their covered dependents comprehensive medical and prescription drug coverage through TRAIL Medicare Advantage Prescription Drug (commonly referred to as "MAPD") plans.

As an individual who is enrolled in Medicare Parts A and B, your annual TRAIL MAPD Open Enrollment Period will be held in the fall of each year. The TRAIL MAPD plan year is January 1 through December 31.

All Illinois counties have an HMO and PPO option. Members residing outside Illinois may elect the PPO option only.

**To be eligible for coverage under a Total Retiree Advantage Illinois Medicare Advantage Prescription Drug (MAPD) plan, you and your eligible dependents must:**

- Live in the United States or the U.S. Territories, **AND**
- Be enrolled in Medicare Parts A and B, due to age or disability.

## **You Have Important Healthcare Coverage Decisions to Make**

The TRAIL MAPD Program provides you and your enrolled dependents comprehensive medical and prescription drug coverage through TRAIL plans. These types of Medicare Advantage Prescription Drug plans, commonly known as "MAPD" plans, are Medicare-approved plans that combine the different parts of Medicare into one plan. Since these plans are a type of Medicare, **you must continue to pay your federal Medicare premiums in order to remain enrolled in TRAIL MAPD.**

## **As NEWLY-ELIGIBLE for the TRAIL MAPD Program, you:**

- MUST elect one of the TRAIL MAPD health plans during your enrollment period via [MyBenefits.illinois.gov](https://mybenefits.illinois.gov), or by calling the MyBenefits Service Center (toll-free) 844-251-1777. Due to your Medicare-eligibility, **you cannot keep your current TRIP health plan.** You **must** complete your enrollment into a TRAIL MAPD plan within your enrollment period.
- Will have your medical and prescription drug claims processed by the TRAIL MAPD plan instead of Original Medicare and your current medical plan, once you've completed your TRAIL MAPD enrollment becomes effective.
- Will only have one ID card to show at your doctor visits and when picking up your prescriptions.
- May cancel your TRIP coverage. Canceling will terminate your medical and prescription drug coverage through TRIP. Re-enrollment is allowed for TRIP throughout the plan year with a qualifying enrollment opportunity and coverage will be effective the first of the month following your enrollment request or during your annual TRAIL MAPD Enrollment Period.

# Important Information You Need to Know about your TRAIL MAPD Plan

- TRAIL MAPD is a retiree healthcare program sponsored by the Teachers' Retirement Insurance Program (TRIP). The plans offered through the TRAIL Program are Medicare Advantage plans which include Prescription Drug coverage. These plans are typically called "MAPD" plans. **As a TRIP member who is newly-eligible for enrollment in a TRAIL MAPD plan, you must make a choice during this TRAIL MAPD Enrollment Period to enroll in one of the MAPD plans offered.** If you do not want TRAIL MAPD coverage, you can cancel which will terminate your medical and prescription drug coverage. **Canceling TRAIL MAPD coverage does not allow you to stay in your current TRIP health plan.**
- TRAIL MAPD plans are offered by private companies approved by Medicare. Medicare pays a fixed amount for your care each month to these companies. When you enroll in a Medicare Advantage Prescription Drug (MAPD) plan, you are no longer in Original Medicare, but still have the same covered services and the same rights and protections as people with Original Medicare.
- The TRAIL MAPD plans provide all of your Part A (hospital) and Part B (doctor and outpatient) benefits, including emergency and urgent care, and Medicare Part D (prescription drug) coverage.
- **You must keep Medicare Parts A and B and continue to pay the applicable Medicare premiums, including applicable IRMAA (Income Related Monthly Adjustment Amount) surcharges.**
- All members and dependents must ensure that their Medicare information, including the Medicare Beneficiary Identifier (MBI), is on file. If the MBI (found on your Medicare card) is not provided, your TRAIL MAPD and TRIP coverage will be canceled.
- You can only be in one Medicare Advantage or Medicare Part D (prescription drug) plan at a time. Enrollment in the TRAIL MAPD plan provides you with Medicare Advantage coverage as well as Medicare Part D coverage. **Therefore, enrollment in a different Medicare Advantage or Medicare Part D plan will automatically cause your TRAIL MAPD coverage to end, which will include termination of your TRIP medical and prescription drug coverage.**
- You may terminate the TRAIL MAPD coverage at anytime by contacting the plan administrator in writing. You may re-enroll throughout the plan year with a qualifying enrollment opportunity and coverage will be effective the first of the month following your enrollment request or during your annual TRAIL MAPD Enrollment Period.
- If your residential or mailing address changes, you must notify **both** your retirement system and the Social Security Administration in writing as quickly as possible.
- If you enroll in one of TRIP's TRAIL MAPD HMO plans and move outside of the plan's service area to a different county in Illinois where your current HMO is not available or to a different state, you must elect a new MAPD plan available in your new area. If you move outside the State of Illinois, your coverage will be defaulted to the UnitedHealthcare PPO plan.

- Medicare Advantage Plans are not a Medicare Supplement plan. Medicare Advantage Plans, sometimes called "Part C" or "MA Plans," are an "all in one" alternative to Original Medicare. These "bundled" plans include Medicare Part A (Hospital Insurance) and Medicare Part B (Medical Insurance), and in the case of your TRIP-Sponsored TRAIL plan, Medicare prescription drug (Part D) is also included.
- Once you have enrolled in TRAIL MAPD plan, you will only use your red, white and blue Medicare card for hospice care. All other claims for your healthcare services (including prescription drugs) should be sent to your MAPD plan administrator for processing and benefit determinations.
- Medicare-eligible retirees, annuitants and survivors who want to continue medical and prescription drug coverage through TRIP, are **required** to enroll in one of the TRAIL MAPD plans if they and their covered dependents are all enrolled in Medicare Parts A and B. **Remaining in your current TRIP health plan is not an option. If you do not complete the online enrollment process or call the MyBenefits Service Center by your enrollment deadline, the State will assume you do not want your TRIP TRAIL MAPD health insurance and will terminate your medical prescription drug coverage.** If your TRIP medical and prescription coverage is terminated, you will have only Original Medicare for your medical coverage. To obtain additional coverage you may enroll in a Part D prescription drug plan for prescription drug coverage, re-enroll in the TRIP-Sponsored TRAIL plan throughout the plan year with a qualifying enrollment opportunity and coverage will be effective the first of the month following your enrollment request or enroll during your next annual TRAIL MAPD Enrollment Period.
- Plan Year deductible and Out-of-Pocket Maximums will start over with your new TRAIL MAPD Plan. The MAPD plans are not permitted to take into account the deductible you might have already paid in your other plan. Any deductible paid to your current medical plan will not count toward your MAPD plan's annual deductible. The PPO plan's annual medical deductible will start again for the TRAIL MAPD Plan Year.
- Your current health plan may cover services that Original Medicare does not cover. Medicare Advantage plans are required to cover all services covered by Original Medicare. In order to be covered, the service must be considered medically necessary and in certain cases, meet Medicare guidelines for approval. Some services have limits to how often they can be obtained.

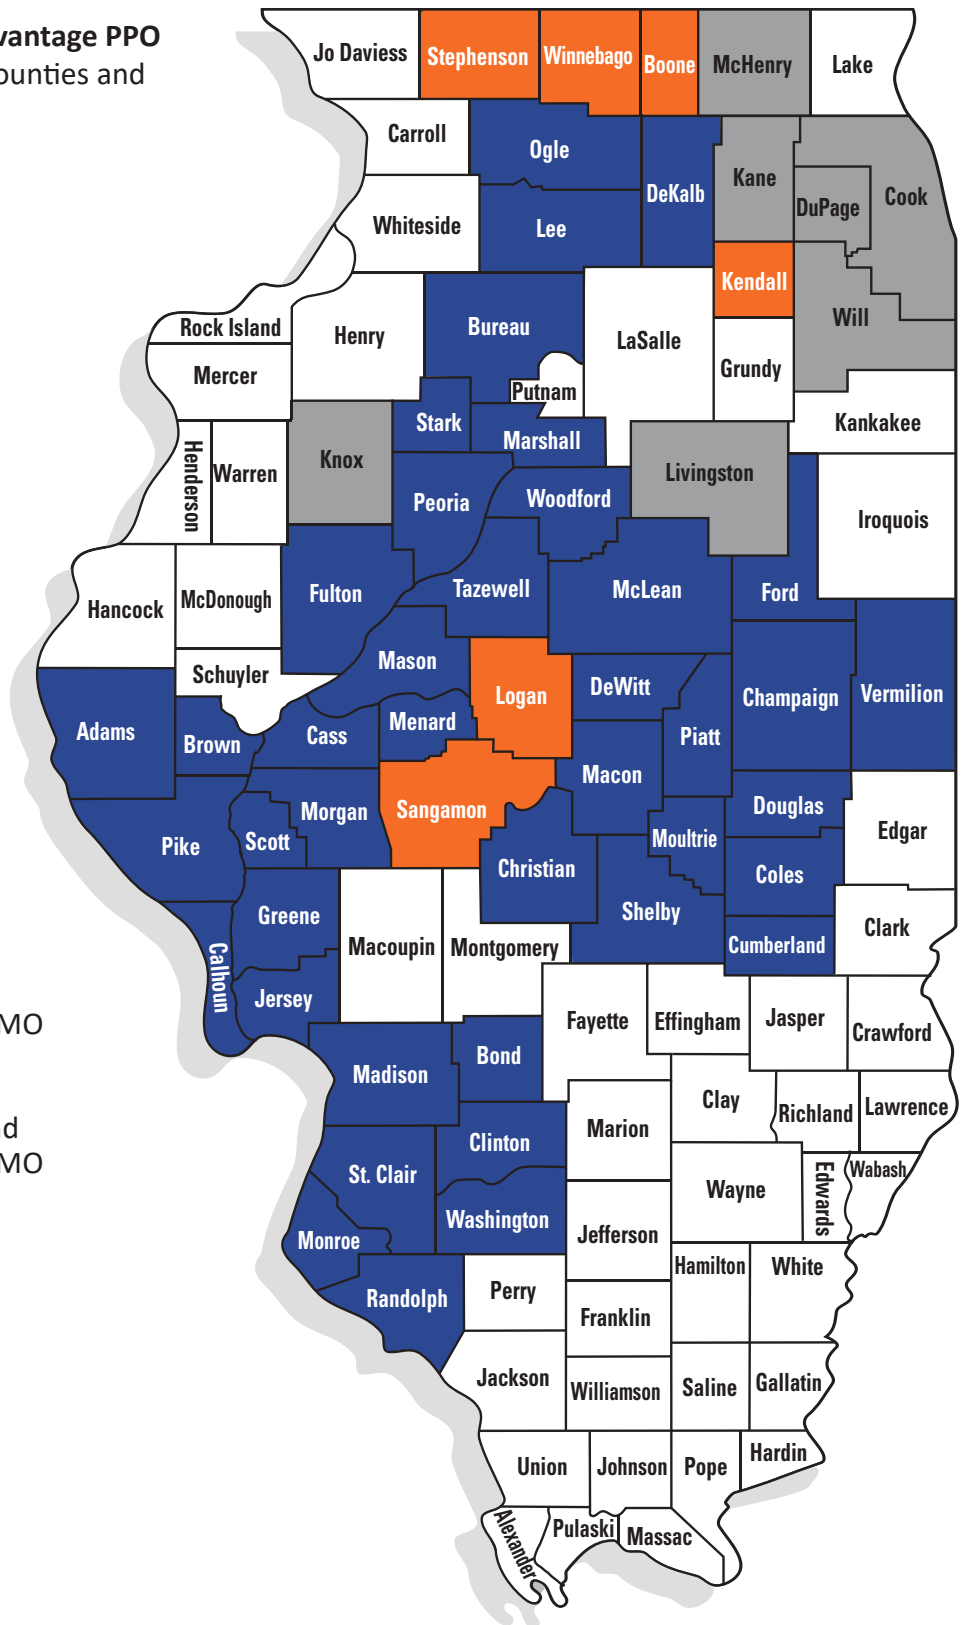

# A Map of TRAIL MAPD Plans by County

**The UnitedHealthcare Medicare Advantage PPO (UHC PPO)** is available in all Illinois counties and throughout the U.S.

UnitedHealthcare PPO, Aetna Medicare Plan (HMO), Health Alliance MAPD HMO and the Humana Employer Medicare HMO availability is indicated by the key below:

- UHC PPO and Health Alliance MAPD HMO
- UHC PPO and Aetna Medicare Plan (HMO)
- UHC PPO and Humana Employer Medicare HMO
- UHC PPO and Aetna Medicare Plan (HMO) and Humana Employer Medicare HMO

# Your Health Plan Options: HMO vs. PPO

## Aetna Medicare Plan (HMO), Health Alliance MAPD HMO and Humana Employer Medicare HMO

If you enroll in one of the Medicare Advantage Prescription Drug (MAPD) HMO plans available to you (based on the county in which you live), you must choose a primary care physician (PCP) from the MAPD plan's network of providers. When you enroll online or over the phone, be sure to have your PCP's identification number. That number can be obtained from the plan administrators' provider directory, or by calling the plan administrators (see page 13). Your PCP will coordinate your care and refer you to specialists when needed. Out-of-network care is only available for emergencies; therefore, be sure to see a network provider when seeking services through an HMO plan.

All of the MAPD HMO plans offer a network of doctors, specialists and hospitals to choose from, plus a variety of programs and services to help improve your health and well-being.

## UnitedHealthcare Medicare Advantage PPO

The UnitedHealthcare (UHC) Medicare Advantage Preferred Provider Organization (PPO) plan is a "passive" PPO plan. If you enroll in the UHC Medicare Advantage PPO plan, you may see any provider as long as they participate in Medicare and accept the plan. With the UHC PPO, you will not have the restrictions of in- and out-of-network coverage. So even though UHC has a network of providers, if you receive care from a provider not in the UHC network (i.e., an out-of-network provider), the PPO plan pays those providers the same amount Medicare would have paid; you pay the same out-of-pocket percentage as if you had received in-network care.

The majority of providers in Illinois and across the nation participate in Medicare and will accept the TRIP-sponsored UHC group plan. If the provider is not willing to bill UHC, call UHC at the number on page 13 and ask them to contact your provider to explain the plan. If your provider still refuses to bill UHC for your visit, you must pay the bill and submit a request for reimbursement to UHC for payment. UHC will then reimburse you the Medicare allowable amount, minus any deductible or coinsurance for which you are responsible.

In addition, the available programs also provide you with additional benefits including, but not limited to, those listed below:

### Humana Employer Medicare HMO offers:

- SilverSneakers®
- Go365™ Wellness Program
- Telemedicine™

### Aetna Medicare Plan (HMO) offers:

- Preferred Pharmacy Discounts
- In-Home Health Risk Assessments
- Teladoc

### Health Alliance MAPD HMO offers:

- Care Coordination Services
- Fitness and Wellness Rewards
- Virtual Visits

### UnitedHealthcare PPO offers:

- HouseCalls
- Renew by UnitedHealthcare
- Virtual Doctor Visits

## Things to consider when choosing a Medicare Advantage Prescription Drug (MAPD) Plan

### HMO Plan

- Your doctor is in the HMO network
- You prefer copayments for medical services rather than deductibles and coinsurance
- You take prescription drugs (lower copays than the PPO plan)
- You prefer a plan where network providers agree to help you obtain plan benefits

### PPO Plan

- You prefer the flexibility to see any Medicare provider and not stay in a network
- You travel a lot outside Illinois or you are a "snowbird"
- You have medical conditions for which you prefer to have the ability to see any Medicare provider without the constraints of a network

# HMO Plans

# TRIP TRAIL MAPD Medical Contributions

## TRAIL MAPD Plan Monthly Contributions Effective January 1

Members in the Teachers' Retirement Insurance Program (TRIP) are responsible for a monthly contribution for Medicare Advantage coverage that includes prescription drug benefits. If your school district currently pays your TRIP insurance premium, it may continue to pay the premium on your behalf after you enroll in TRAIL. If you wish to verify the premium payment arrangements for your TRAIL MAPD coverage, you should contact your school district.

TRIP TRAIL MAPD Plan Monthly Contributions Effective January 1, 2021				
	HMO Plans			PPO Plan
	Humana Employer Medicare HMO	Aetna Medicare Plan (HMO)	Health Alliance MAPD HMO	UnitedHealthcare
Member Rate	\$36.94	\$38.75	\$46.55	\$42.48
Dependent Rate	\$110.79	\$116.22	\$139.65	\$127.45

# Prescription Drug Coverage

A TRAIL MAPD plan includes Medicare Part D prescription drug coverage. Prescription drug formularies (i.e., list of drugs covered) vary by health plan. The TRAIL MAPD prescription drug coverage must follow Medicare rules for which types of drugs can be covered. Drugs covered under a non-Medicare Part D plan may not be covered under a Medicare Part D plan. If you are uncertain whether a drug will be covered, you should call the health plan in which you are interested in enrolling to inquire.

## Part D Coverage Stages

Since the TRAIL MAPD prescription drug coverage is a Medicare Part D plan, the member's cost for prescription drugs under the TRAIL MAPD Program must follow the Medicare Part D drug coverage stages. There are four drug payment stages: Annual Deductible, Initial Coverage, Coverage Gap, and Catastrophic Coverage. At the beginning of the year, you start out in the Annual Deductible stage. If the plan has no prescription drug deductible, then you begin in the second stage, the Initial Coverage stage. You progress to the next stage once you have met the cost requirements for the current stage.

Unlike a standard Part D plan in which the enrollee is required to pay a percentage of the full retail cost of the drug, TRIP members enrolled in the TRAIL MAPD Program pay only the plan's standard copayment through the Initial Coverage and Coverage Gap stages. Paying only the standard copayment through the Coverage Gap is a valuable benefit for TRAIL MAPD members. Once a member reaches the Catastrophic Coverage stage (when the true out-of-pocket costs reach \$6,550 for prescription drugs in 2021), the member will pay either a small copayment or 5% coinsurance that is capped to limit a member's out-of-pocket costs.

### Annual Deductible

**You start here.** You will pay the full cost of your Part D prescriptions drugs. **Once you have paid the plan's deductible, you move on to the next stage.**

### Initial Coverage

**If the plan has no prescription drug deductible you start here.** You will pay copays in this stage. **Once you and the plan have spent \$4,130 on your Part D prescription drugs, you move to the next stage.**

### Coverage Gap

**You will pay no more for your prescription drugs in this stage** as you did in the previous stage. **Once you have spent \$6,550 on your Part D prescription drugs, then you move on to the next stage.**

### Catastrophic Coverage

**If you reach this stage, you stay in this stage through the end of the plan year** (December 31). You may pay more for your prescription drugs in this stage, but what you will pay will be capped (a limit is placed on the most you can pay for a prescription, see pages 12 & 13 for Castastrophic Coverage amounts).

## Part B and Part D IRMAA Premium

Medicare requires those enrolled in a Medicare Part D plan whose annual income is above a certain limit to pay an additional premium called IRMAA (Income-Related Monthly Adjustment Amount). Medicare will look back at your tax return from two years ago to determine your income. For those members whose income is verified by the IRS to exceed the established limits, the Social Security Administration will send a predetermination letter. If applicable, IRMAA applies to both Medicare Parts B and D; therefore, members who pay an additional premium for their Medicare Part B coverage are the same members who will be charged the Medicare Part D IRMAA amount. Members will receive a quarterly bill in the mail from Social Security for these additional premiums. To remain in the Medicare Advantage plan, affected members must pay these additional premiums. Go to [medicare.gov](https://www.medicare.gov) for IRMAA premium amounts.

Go Online at [MyBenefits.illinois.gov](https://MyBenefits.illinois.gov), or call **844-251-1777** (toll-free) if:

- **Your dependents experience a change of address.**
- **Your dependent loses eligibility.** Dependents who are no longer eligible under the Program (including divorced spouses or partners of a dissolved civil union or domestic partner relationship) must be reported online immediately. Members should also notify TRS immediately.
- **You get married or enter into a civil union partnership, or your marriage, domestic partnership or civil union partnership is dissolved.**
- **You gain legal guardianship of a child or adopt a child.**
- **You have insurance benefit questions • insurance plan options in your residential area • to enroll into an insurance plan • to add a dependent to your insurance plan • to provide a marriage certificate to add a new spouse to your insurance plan • to term a dependent from your insurance plan • and to find out more about your insurance coverage.**
