

O'Leary

1. John O'Leary

born 1825 Ireland
died 1870-80 probably in Gallatin Co., IL
married Catharine Hughs
b 1825-34 Ireland
living 1880

John's son, John O'Leary Jr., came to the U. S. 1867-9. It appears the entire family came at the same time.

John O'Leary and family are found on the 1870 Gallatin Co., IL, census in the town of New Haven. John's occupation is given as laborer. The census lists John as owning no real estate and having \$100 worth of personal property.

In 1870 Margaret Hughs, born 1813 Ireland, is living with the family. This may be Catherine's mother.

John appears to have died by the 1880 census. In 1880 Catherine and family are found in New Market Precinct (now Ridgway Precinct).

On 3 Ap 1878, Gallatin Co., Catharine O'Leary of Union Co., KY, married George H. Hagan of Henderson Co., KY. According to this record, Catharine was born 1858 in Union Co., KY, to Cornelius O'Leary and Victoria Winnsalt. It is likely these O'Learys are related to the Gallatin County O'Learys.
