

Bus Driver Checklist

In order to become a state certified bus driver, you will need to complete the following steps:

1. You must take the 8 hour initial class with the ROE and pass the exam.
2. You must take the written test at the DMV for the practice driving license.
3. You must practice driving and pre-trip with the district or company you are employed with.
4. You must get a physical from the doctor.
5. You must submit fingerprinting and drug testing.
6. You must return back to the DMV for pre-trip and driving test

Please note: The 8 hour initial class, fingerprinting and drug testing can be completed in any order but it **MUST** be completed before taking the final test at the DMV.
